- OWASP Events Team Email: events@owasp.com
- New Event Policy: https://owasp.org/www-policy/operational/events
- Submitting an Event via OCMS:
  https://owasporg.atlassian.net/servicedesk/customer/portal/7/group/19/create/82

  Approval is contingent upon:

  - A complete submission including a complete, profitable budget and all required exemptions. Additionally, quotes for major expense categories, such as event locations, catering, and income categories including sponsorships and registration must also be submitted.
  - The proposed event is aligned with our mission
  - 2-5 Event Leaders (organizers and volunteers can be added at a later date)
  - Dates do not conflict with nearby local or regional events or OWASP Foundation events.
  - Completely submit all of the above, and you are well on your way to hosting an OWASP Event!
